Information subject to change, please contact the owner for updates. All reservations and inquiries should be made *directly* to the owners

Agriculture is the ultimate outdoors! Nature is our encyclopedia!

The owners have experience as rangers in national parks. Trekking and MTB (mountain bike) tours are also possible. You can also experience Japanese culture under the guidance of the owner's wife who is a calligraphy instructor.

- **Agricultural work experience:** rice planting, rice harvesting, vegetable seed sowing, vegetable harvesting, taking care of grapes. Grape harvesting is conducted according to the season.
- **Nature observation:** We will observe paddy fields, insects and plants in the area and learn how agriculture coexists with nature while deepening our understanding of agriculture. Insects that cannot actually be found will be explained with videos and illustrations.
- **Guide of local information on the history of the former Zengyoji Highway and indigenous beliefs:** You will be able to hear about Shinto deities carved in stone- Hyakutai Kannon, Dosojin and Dokuchakushin are placed at the side of the road at village boundaries, forks in roads and mountain passes.* A separate activity fee will be charged, therefore please check at the time of booking.
