Be blessed with Hakuba's nature.

The many faces of Mother Nature in the Hakuba Alps is always astonishingly beautiful. In spring, flowers bloom and delicious mountain herbs peek out from the melting snow. In summer, the ski slopes become trekking areas and the mountains bloom with various flora. In autumn the mountains are resplendent and the rice fields gleam a golden hue. White ski slopes of winter are luminescent. These are scenes only can be seen in the Northern Alps. The cottages are situated at the foot of Hakuba Iwatake where your family can stay for a satisfying vacation whatever time of year. From July 18, 2022 the restaurant, Komakusa, and Villa Komakusa have reopened. The restaurant is open for business on Saturday, Sunday and Monday from 11:00-14:00. As all facilities are compliant in accordance with "Manual for measures against COVID-19 infection" made by the Nagano government, we may ask you to comply to its rules.
