### There is no hospitality here. All that is here is bamboo.

Bamboo Challenge Inn, an old private house built more than 100 years ago, is situated in Kibi Chuo-cho, Okayama Prefecture. Everything is quite different from modern buildings- the texture, structure and inconvenience. Listen to the sound of insects in a quiet environment without a TV. We lodge only one group a day so the house can be used as a training camp, workshops, hen parties, etc. There are activities using bamboo that can be reserved prior to your stay.

### Accommodation Rates (1 group per day)

One night lodging (no meals included)

JPY6,600 per person (from 3 years old and older)

The kitchen is available for usage. Bring your own ingredients.

Please bring your own ingredients.

Until the end of covid restrictions, it is operated as an inn limited to one group per day, however please note that the owner and family lives on the premises.
