Return to your roots at KINAIE

The inn was renovated from an old private house more than 100 years old. The name of the inn, "KINAIE" is derived from the Usa City dialect "kina (come)" and "ie (home) ie. "come visit us at home".

Originally a chiropractic business, the inn is operated under an unique lodging system that combines health tourism and green tourism. We ask guests to choose an experience when they make a reservation and then stay at our inn with a plan tailored to their needs. This is a new approach where guests choose their own activities. The menu changes time by time, so guests can enjoy an experience unlike any other. The meals that are cooked with the guests have "koji" in them.

Activities (please contact the owners regarding fees)

We will ask you about the activities you want to participate in at the time of reservation. Many of the activities do not have extra fees. Those who receive chiropractic treatment (approximately 2 hours) will be charged a separate fee of 10,000 yen (tax included). We also offer a video recording and editing service of the activities That you participate in for a separate fee of 5,000 yen (tax included).

Main activities include: Farming activities (harvesting rice, wheat, soybeans, vegetables, etc.) Countryside experience (playing in the river, BBQ, fireflies watching, making rice cakes, etc.)

Peace education (Visit to the Usa Peace Museum)
